À LA CARTE MENU

Dear guests,

Welcome to the restaurant of Wellness Hotel Chopok**.**

Allow us to offer you a gastronomic experience that is an integral part of what our hotel offers. We hope that the atmosphere, aroma, arrangement, and, above all, the taste of our dishes will meet the expectations of even the most demanding gourmets and connoisseurs.

Our chef Ivan Klčovský and his team will prepare creative combinations of dishes that will carry you to the sea, Slovak mountains and shepherd's huts.

Not only do they taste great and look beautiful, but the original recipes are always prepared from fresh and healthy ingredients, mostly sourced from local Slovak suppliers or fresh fish importers.

From the menu full of specialties from Mediterranean or local cuisine, you'll want to choose each of the options.

In our offer, we remember vegetarians, vegans, and people with food intolerances.

We wish you all a good appetite and a delightful culinary experience.
