

**Information on personal data processing****For information system: Marketing**

Information on the processing of data subjects' personal data pursuant to Sec. 19 and Sec. 20 of Act No. 18/2018 Coll. on personal data protection and on amendments and supplements to certain acts (hereinafter referred to as the "Act") and the articles 13 and 14 of Regulation of the European Parliament and of the Council (EU) 2016/679 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data (hereinafter referred to as the "Regulation")

The objective of this text is to provide you with the information on which personal data is processed, how it is handled, for what purposes it is used, to whom it can be provided, and where you can get the information on your personal data and exercise your rights related to personal data processing.

Identification and contact data:

The controller processing your personal data is PROPERTY HOLDING, a. s., Panenská 13, 811 03 Bratislava, Company ID: 36 358 606.

Contact details of the person in charge of personal data processing:

Ing. Dominik Bartko, MBA, dpo3@proenergy.sk, 0948 940 449

1. Purpose of personal data processing and legal basis of such processing

The purpose of personal data processing: marketing activities (informing on latest information, discounts and other marketing offers) also related to bought or procured services or goods.

Personal data shall be processed on the basis: of data subject's consent under Section 13, paragraph 1(a) of the Act and Article 6, paragraph 1(a) of the Regulation and of data controller's legitimate interest under Section 13, paragraph 1(f) of the Act and Article 6, paragraph 1(f) of the Regulation.

Controller's or third party's legitimate interests

Personal data processing due to the controller's or third party's legitimate interests shall be performed for the purpose of marketing activities.

2. Identification of data subjects' personal data subject to processing

Data subjects whose personal data is processed: clients / customers / guests / potential customers.

Scope of the personal data under processing: title, forename, surname, date of birth, email address, phone number.

3. Identification of recipients, and categories of recipients

The controller may provide personal data to authorised entities such as institutions and organisations entitled to process such data under a special legal regulation or to contracting partners (mostly controllers), who are contractually bound to apply relevant warranties of processed personal data protection as follows:

Information on personal data processing

For information system: IS Marketing

Other authorised entities	Generally binding legal regulation pursuant to Section 13, par. 1(c) of Act No. 18/2018 Coll. on personal data protection and on amendments and supplements to certain acts.
Contractual partner ECOMAIL.CZ, s. r. o. Na Mlejнку 764/18, Praha 4, 147 00, Company ID: 02762943	Section 34 of Act No. 18/2018 Coll. on personal data protection and on amendments and supplements to certain acts. Server solution provider

With data subject's consent or on the basis of their order, the data may be provided to other recipients.

4. Transfer of personal data to third country / international organisation

Transfer to third countries or international organisations shall not be performed.

5. Identification of the source from which personal data has been obtained

Directly from the data subject (in person, by email, over the phone, filling in a questionnaire, via the controller's web site).

6. Period for which the personal data will be kept

The controller shall process personal data for the period necessary for purpose achievement, yet, not for longer than 5 years as of such data obtaining / as of the termination of the fifth year, in which the personal data was provided.

7. Profiling

The controller shall not process the personal data by profiling or by any similar method that is based on automated individual decision-making.

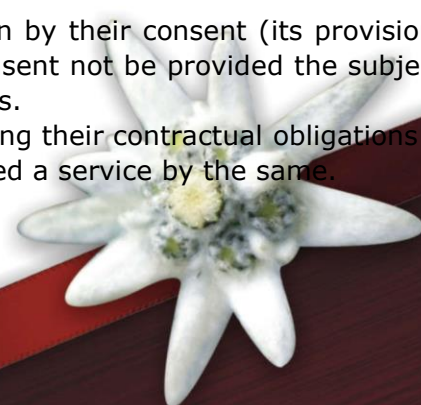

8. Data subject's rights

The data subject has the right to ask the controller for the access to their personal data being processed, to ask for personal data correction, to ask the controller to delete their personal data or limit its processing, to object against personal data processing, to make the automated individual decision-making ineffective, profiling included, to have such personal data transferred and to file a motion with a supervisory authority to initiate a proceeding. In case the controller processes personal data on the basis of the data subject's consent the data subject is entitled to withdraw their consent to personal data processing any time. The withdrawal of the consent, however, shall not have any effect on the lawfulness of personal data processing based on such consent prior to its withdrawal. The data subject may exercise their rights by sending an email message to the following address: marketing@hotelchopok.sk or by writing to the controller's address.

9. Obligation to provide personal data

The data subject provides their personal data on a voluntary basis proven by their consent (its provision, however, is not required by law/contractually); should, however, such consent not be provided the subject would not be informed on latest news, discounts and other marketing offers.

The data subject also provides their personal data for the purpose of meeting their contractual obligations if they have bought anything from the controller or if they have been rendered a service by the same.

**Information on personal data processing****For information system: IS promotion**

Information on the processing of data subjects' personal data pursuant to Sections 19 and 20 of Act No. 18/2018 Coll. on personal data protection and on amendments and supplements to certain acts (hereinafter referred to as the "Act") and Articles 13 and 14 of the Regulation of the European Parliament and of the Council (EU) 2016/679 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data (hereinafter referred to as the "Regulation").

The objective of this information is to make you aware of the personal data being processed, the way it is handled, the purposes it is used for, the entities it can be provided to and the place where you can get the information on your personal data and exercise your rights related to personal data processing.

Identification and contact data:

The controller processing your personal data is PROPERTY HOLDING, a. s., Panenská 13, 811 03 Bratislava, Company Identification No.: 36 358 606

Contact details of the person in charge of personal data processing:

Ing. Dominik Bartko, MBA, dpo3@proenergy.sk, 0948 940 449

1. Purpose of personal data processing and legal basis of such processing

Purpose of personal data processing: positive promotion of the controller's activities, documenting and presentation purposes.

Personal data shall be processed based on: consent under Section 13, par. 1(a) of the Act and Article 6, par. 1(a) of the Regulation.

Controller's or third party's legitimate interests

Personal data processing for the purpose of the controller's or third party's legitimate interests shall not be performed.

2. Identification of data subjects' personal data under processing

Data subjects whose personal data is being processed: employees, natural persons in similar employment relations and customers.

Scope of the personal data under processing: title, forename, surname, job position, photographs, sound or video recordings and their combination;

3. Identification of recipients, categories of recipients

The objective of this information is to make you aware of the personal data being processed, the way it is handled, the purposes it is used for, the entities it can be provided to and the place where you can get the information on your personal data and exercise your rights related to personal data processing.

Identification and contact data:

The controller processing your personal data is PROPERTY HOLDING, a. s., Panenská 13, 811 03 Bratislava, Company Identification No.: 36 358 606.

Contact details of the person in charge of personal data processing:

Ing. Dominik Bartko, MBA, dpo3@proenergy.sk, 0948 940 449

1. Purpose of personal data processing and legal basis of such processing

Purpose of personal data processing: participation of the data subject in a competition/contest on the basis of their voluntary consent; in case of an individually provided consent, the controller may also disclose the data subject-winner's personal data, yet only in the scope and under the conditions specified in such consent. Personal data shall be processed based on: data subject's voluntary consent under Section 13, par. 1(a) of the Act and Article 6, par. 1(a) of the Regulation.

Controller's or third party's legitimate interests

Personal data processing for the purpose of the controller's or third party's legitimate interests shall not be performed.

2. Identification of data subjects' personal data under processing

Data subjects whose personal data is processed: contestants;

Scope of the personal data under processing: title, forename, surname, mail-to address, email address, phone number, photograph.

3. Identification of recipients, and categories of recipients

The controller may provide personal data to authorised entities such as institutions and organisations entitled to process such data under a special legal regulation or to contracting partners (mostly controllers), who are contractually bound to apply adequate warranties for processed personal data protection as follows:

-5-

Information on personal data processing

For information system: Competitions/contests

Other authorised entities	Generally binding legal regulation pursuant to Section 13, par. 1(c) of Act No. 18/2018 Coll. on personal data protection and on amendments and supplements to certain acts.
Contractual partner	Section 34 of Act No. 18/2018 Coll. on personal data protection and on amendments and supplements to certain acts.

With a data subject's consent or on the basis of their order, the data may be provided to other recipients.

4. Transfer of personal data to third country / international organisation

Transfer to third countries or international organisations shall not be performed.

5. Identification of source from which personal data has been obtained

Directly from the data subject or their legally authorised representative (in person, by email, over the phone, via the controller's web site).

6. Period for which the personal data will be kept

The controller shall process the personal data for the period necessary for purpose fulfilment, i.e. competition completion. In case of an individually provided consent, the controller may also disclose the data subject's personal data for the period of 2 weeks following competition result announcement via social networks and on the website.

7. Profiling

The controller shall not process the personal data by profiling or by any similar method that is based on automated individual decision-making.

8. Data subject's rights

The data subject has the right to ask the controller for the access to their personal data being processed, to ask for personal data correction, to ask the controller to delete their personal data or limit its processing, to object against personal data processing, to make the automated individual decision-making ineffective, profiling included, to have such personal data transferred and to file a motion with a supervisory authority to initiate a proceeding. In case the controller processes personal data on the basis of the data subject's consent the data subject is entitled to withdraw their consent to personal data processing at any time. The withdrawal of the consent, however, shall not have any effect on the lawfulness of personal data processing based on such consent prior to its withdrawal. The data subject may exercise their rights by sending an email message to the following address: marketing@hotelchopok.sk or in writing by sending mail to the controller's address.

9. Obligation to provide personal data

The data subject (or their legally authorised representative) shall provide their personal data on a voluntary basis in the form of a consent (its provision, however, is not required by law/contractually). Should such personal data not be provided the data subject would not be able to enter a competition/contest. In case that the data subject (or their legally authorised representative) provides the personal data in question but does not give a consent with its disclosure in case of winning, the data subject will enter a competition but shall not have their data as a winner disclosed.

**Information on personal data processing****For information system: Benefit program**

Information on the processing of data subjects' personal data pursuant to Sec. 19 and Sec. 20 of Act No. 18/2018 Coll. on personal data protection and on amendments and supplements to certain acts (hereinafter referred to as the "Act") and the articles 13 and 14 of Regulation of the European Parliament and of the Council (EU) 2016/679 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data (hereinafter referred to as the "Regulation")

The objective of this information is to make you aware of the personal data being processed, the way it is handled, the purposes it is used for, the entities it can be provided to and the place where you can get the information on your personal data and exercise your rights related to personal data processing.

Identification and contact data:

Contact details of the person in charge of personal data processing:

Ing. Dominik Bartko, MBA, dpo3@proenergy.sk, 0948 940 449

1. Purpose of personal data processing and legal basis of such processing

Purpose of personal data processing: providing the data subject with a benefit program.

Personal data shall be processed based on: data subject's voluntary consent under Section 13, par. 1(a) of the Act and Article 6, par. 1(a) of the Regulation.

Controller's or third party's legitimate interests

Personal data processing for the purpose of the controller's or third party's legitimate interests shall not be performed.

2. Identification of data subjects' personal data under processing

Data subjects whose personal data is processed: participants of the benefit program.

Scope of the personal data under processing: title, forename, surname, address, email address, phone number, date of birth, mail-to address.

3. Identification of recipients, and categories of recipients

The controller may provide personal data to authorised entities such as institutions and organisations entitled to process such data under a special legal regulation or to contracting partners (mostly controllers), who are contractually bound to apply adequate warranties for processed personal data protection as follows:

Information on personal data processing

For information system: Benefit program

Other authorised entities	Generally binding legal regulation pursuant to Section 13, par. 1(c) of Act No. 18/2018 Coll. on personal data protection and on amendments and supplements to certain acts.
---------------------------	--

With a data subject's consent or on the basis of their order, the data may be provided to other recipients.

4. Transfer of personal data to third country / international organisation

Transfer to third countries or international organisations shall not be performed.

5. Identification of source from which personal data has been obtained

Directly from the data subject (in person, by email, over the phone, via the controller's web site).

6. Period for which the personal data will be kept

The controller shall process the personal data for the period necessary for purpose achievement, yet, not for longer than 2 years from the moment the data was acquired.

7. Profiling

The controller shall not process the personal data by profiling or by any similar method that is based on automated individual decision-making.

8. Data subject's rights

The data subject has the right to ask the controller for the access to their personal data being processed, to ask for personal data correction, to ask the controller to delete their personal data or limit its processing, to object against personal data processing, to make the automated individual decision-making ineffective, profiling included, to have such personal data transferred and to file a motion with a supervisory authority to initiate a proceeding. In case the controller processes personal data on the basis of the data subject's consent the data subject is entitled to withdraw their consent to personal data processing at any time. The withdrawal of the consent, however, shall not have any effect on the lawfulness of personal data processing based on such consent prior to its withdrawal. The data subject may exercise their rights by sending an email message to the following address: marketing@hotelchopok.sk or in writing by sending mail to the controller's address.

9. Obligation to provide personal data

The data subject provides their personal data on a voluntary basis proven by their consent (its provision, however, is not required by law/contract); should, however, such consent not be provided the subject would not be able to use the benefits of the benefit program in question.

Information on personal data processing

For information system: Accounting documents

Identification and contact data:

The controller processing your personal data is PROPERTY HOLDING, a. s., Panenská 13, 811 03 Bratislava, Company Identification No.: 36 358 606.

Contact details of the person in charge of personal data processing:

Ing. Dominik Bartko, MBA, dpo3@proenergy.sk

1. Purpose of personal data processing and legal basis of such processing

Objective of personal data processing: Monitoring the premises using a surveillance camera system for the purpose of safety, criminal activity detection and property and health protection.

Personal data shall be processed based on: data controller's or third party's legitimate interest under section 13, paragraph 1(f) of the Act and Article 6, par. 1(f) of the Regulation.

2. Identification of data subjects' personal data under processing

Data subjects whose personal data is processed: persons staying in the area under surveillance.

Scope of the personal data under processing: Record from the surveillance camera system showing the data subject.

3. Identification of recipients, and categories of recipients

The controller may provide personal data to authorised entities such as institutions and organisations entitled to process such data under a special legal regulation or to contracting partners (mostly controllers), who are contractually bound to apply adequate warranties for processed personal data protection as follows:

Information on personal data processing

For information system: Surveillance camera system (legitimate interest)

Police force in the scope necessary for minor or criminal offence detection	Sec. 76 of Police Force Act
Other authorised entities	Generally binding legal regulation pursuant to Section 13, par. 1(c) of Act No. 18/2018 Coll. on personal data protection and on amendments and supplements to certain acts.

4. Transfer of personal data to third country / international organisation

Transfer to third countries or international organisations shall not be performed.

5. Identification of source from which personal data has been obtained

Directly from the data subject (by staying in the area under surveillance).

6. Period for which the personal data will be kept

The controller shall process the personal data for the period necessary for purpose achievement, yet, not for longer than 14 years as of the moment the video footage was made.

7. Profiling

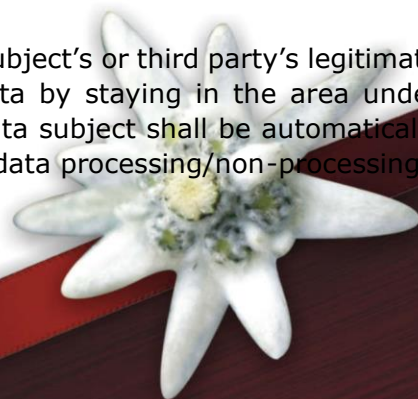

The controller shall not process the personal data by profiling or by any similar method that is based on automated individual decision-making.

8. Data subject's rights

The data subject has the right to ask the controller for the access to their personal data being processed, to ask for personal data correction, to ask the controller to delete their personal data or limit its processing, to object against personal data processing, to make the automated individual decision-making ineffective, profiling included, to have such personal data transferred and to file a motion with a supervisory authority to initiate a proceeding. In case the controller processes personal data on the basis of the data subject's consent the data subject is entitled to withdraw their consent to personal data processing at any time. The withdrawal of the consent, however, shall not have any effect on the lawfulness of personal data processing based on such consent prior to its withdrawal. The data subject may exercise their rights by sending an email message to the following address: marketing@hotelchopok.sk or in writing by sending mail to the controller's address.

9. Obligation to provide personal data

Personal data is processed in accordance with the Act; to protect the data subject's or third party's legitimate interests. The data subject decides on the provision of their personal data by staying in the area under surveillance. In case of such staying in the area under surveillance, the data subject shall be automatically recorded by the system without any possibility to decide on their personal data processing/non-processing.

Information on personal data processing

For information system: Hotel guest record keeping

Information on the processing of data subjects' personal data pursuant to Sec. 19 and Sec. 20 of Act No. 18/2018 Coll. on personal data protection and on amendments and supplements to certain acts (hereinafter referred to as the "Act") and the articles 13 and 14 of Regulation of the European Parliament and of the Council (EU) 2016/679 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data (hereinafter referred to as the "Regulation")

The objective of this information is to make you aware of the personal data being processed, the way it is handled, the purposes it is used for, the entities it can be provided to and the place where you can get the information on your personal data and exercise your rights related to personal data processing.

Identification and contact data:

The controller processing your personal data is PROPERTY HOLDING, a. s., Panenská 13, 811 03 Bratislava, Company Identification No.: 36 358 606.

Contact details of the person in charge of personal data processing:

Ing. Dominik Bartko, MBA, dpo3@proenergy.sk

1. Purpose of personal data processing and legal basis of such processing

The objective of personal data processing is to keep records of the hotel guests in accordance and on the basis of:

- a) Section 13, par. 1(b and c) of Act No. 18/2018 Coll. on personal data protection and on amendments and supplements to certain acts.
- b) Act No. 253/1998 of Coll. on notification of citizen residency and on the Population Register of the Slovak Republic as amended, in the following scope: forename and surname, ID card or passport number, address of permanent residence and stay duration, for the purposes stipulated in the given act;
- c) Act No. 404/2011 of Coll. on the residence of foreign nationals and on amendments and supplements to certain acts as amended, in the following scope: forename and surname, date and place of birth, citizenship, place of permanent residence, purpose of their stay, passport number and details, visa number, address of their stay in the Slovak Republic, name of the person/entity providing accommodation to them, signature and forenames and surnames of children travelling with such foreign nationals for the purposes stipulated in the given act (should the guest be a citizen of a third country);
- d) Act No. 404/2011 of Coll. on the residence of foreign nationals and on amendments and supplements to certain acts as amended, in the following scope: forename and surname, date of birth, citizenship, passport or ID card number details and signature for the purposes stipulated in the act (should the guest be a citizen of the European Union or a relative of a Union citizen);

Information on personal data processing

For information system: Hotel guest record keeping

e) Act No. 582/2004 Coll. on local taxes and fees for municipal and other small construction wastes as amended and in the scope stipulated in the currently applicable generally binding legal regulation of the Demänovská Dolina village/municipality (the 1st January 2017, in the following scope: forename and surname, ID card or passport number, place of permanent residence, dates of guest arrival and departure specified in generally binding legal Regulation of the Municipality No. 03/2016).

Personal data shall be processed for the purpose of accommodation agreement observance and for the performance of the controller's statutory obligations.

Controller's or third party's legitimate interests

Personal data processing for the purpose of the controller's or third party's legitimate interests shall not be performed.

2. Identification of data subjects' personal data under processing

Data subjects whose personal data is processed: persons staying in the Wellness Hoteli Chopok****, Demänovská Dolina 20, 031 01 Liptovský Mikuláš..

Scope of the personal data processed: within the meaning of the above-stated legal regulations.

3. Identification of recipients, and categories of recipients

The controller may provide personal data to authorised entities such as institutions and organisations entitled to process such data under a special legal regulation or to contracting partners (mostly controllers), who are contractually bound to apply adequate warranties for processed personal data protection as follows:

Other authorised entities	Generally binding legal regulation pursuant to Section 13, par. 1(c) of Act No. 18/2018 Coll. on personal data protection and on amendments and supplements to certain acts.
Contractual partner (based on a contract) Ing. Andrea Kubáňová, Čsl. brigády 1693/7, 031 01 Liptovský Mikuláš, Company Identification No.: 44065264	Section 34 of Act No. 18/2018 Coll. on personal data protection and on amendments and supplements to certain acts.

With a data subject's consent or on the basis of their order, the data may be provided to other recipients.

Information on personal data processing

For information system: Hotel guest record keeping

4. Transfer of personal data to third country / international organisation

Transfer to third countries or international organisations shall not be performed.

5. Identification of source from which personal data has been obtained

Directly from the data subject or their legally authorised representative (in person, by email, over the phone, via the controller's web site).

6. Period for which the personal data will be kept

The controller shall process the personal data for the period necessary for purpose achievement; the data is stored for the period that is necessary in order to prove the fulfilment of the controller's statutory obligation as stipulated by law in clause No. 1 or the company registry regulation.

7. Profiling

The controller shall not process the personal data by profiling or by any similar method that is based on automated individual decision-making.

8. Data subject's rights

The data subject has the right to ask the controller for the access to their personal data being processed, to ask for personal data correction, to ask the controller to delete their personal data or limit its processing, to object against personal data processing, to make the automated individual decision-making ineffective, profiling included, to have such personal data transferred and to file a motion with a supervisory authority to initiate a proceeding. In case the controller processes personal data on the basis of the data subject's consent the data subject is entitled to withdraw their consent to personal data processing at any time. The withdrawal of the consent, however, shall not have any effect on the lawfulness of personal data processing based on such consent prior to its withdrawal. The data subject may exercise their rights by sending an email message to the following address: marketing@hotelchopok.sk or in writing by sending mail to the controller's address.

9. Obligation to provide personal data

Personal data provision is a statutory/contractual requirement or a requirement necessary for contract conclusion. The data subject shall provide personal data; if not so, the service may not be provided.
